A bit about yum

After 12 years in the rat race I decided it was time for a change. Time to do something that I love. Cooking. Born and bred in Lymington, I decided to return to my roots and use the New Forest as an inspiration for my cooking.

Yum's mission is to cater for all tastes and budgets, using only the finest ingredients, to produce high quality, delicious homemade food.

So, what's our special ingredient? - food passion

We're not just about making scrumptious cakes, we offer a wide range of products and services...

- Catering for family occasions, business meetings and events
- Children's cookery parties
- Wholesale cakes and snacks
- Yum at local Food Events

Doing our bit

We have established a strong local supplier base to ensure high quality produce is used within our recipes. We actively reduce food miles by sourcing our ingredients locally - over 80% of our ingredients come from within a 30 mile radius (spices come from all around the world!)
